DI Martin Brunner IT-Services

- EDUCATION** Data Processing Technology and Computer Science and Information Technology Studies at the Technical University of Vienna;
Computer Science Studies at the University of Illinois at Urbana-Champaign
- EXPERIENCE** Many years of experience as independent provider of IT-Services; including in the fields of software development and servicing and maintenance of system configurations, commercial data processing and network administration; with **XIMES** since 1998

Our workplace is defined by extraordinary dedication to the tasks at hand, the employees identify with their goals.

What is also important to me: I don't have to continuously censor myself - there is room for individuality.
