Dr. Karin Boonstra-Hörwein Senior Consultant

EDUCATION Polytechnic Institute for Electro-technology;
Logistics Studies at the University of Vienna;
Dissertation at the TU in Vienna;
Management Studies at the Vienna University of Economics and
Business Administration

EXPERIENCE University-Assistant at the Technical University of Vienna;
Consultant for **XIMES** since 1997

*Designing Work Time Plans – this is a topic
that concerns human beings. The main reasons
I joined **XIMES** were the scope of the decisions being
made and the responsibility they entail.*

*My expertise involves identifying tangible
requirements and communicating solutions.*
